The State identified “Essential Businesses”

	1 Uncontrolled growth	2 Persistent spread	3 Flattening	4 Improving	5 Containing	6 Post-pandemic
What’s happening with the disease?	Increasing number of new cases every day, likely to overwhelm the health system	Continue to see high case levels with concern about health system capacity	Case growth is gradually declining	Cases, hospitalizations and deaths are clearly declining	Continued case and death rate improvements and outbreaks can be quickly contained	Community spread not expected to return
What do we need to do to stay safe?	Stay Home, Stay Safe: Strict social distancing, travel restrictions, face coverings, hygiene best practices, remote work	Stay Home, Stay Safe: Strict social distancing, travel reduction, face coverings, hygiene best practices, remote work	Safer at Home: Continued distancing, increased face coverings No gatherings	Safer at Home: Continued distancing, face coverings, safe workplace practices Small gatherings	Stay Safe: Adherence to new guidelines. Continued distancing, coverings, mitigated workplaces Increased size gatherings	Sufficient community immunity and availability of treatment
What work can we do? <i>(Examples)</i>	Critical infrastructure <ul style="list-style-type: none"> • First responders • Health care workers • Critical manufacturing • Food and agriculture • Essential retail (e.g., grocery) • Transportation 	Critical infrastructure Additional types of recreation allowed	Specified lower-risk businesses with strict workplace safety measures <ul style="list-style-type: none"> • Construction • Manufacturing • Real estate • Outdoor work 	Additional lower-risk businesses with strict safety measures <ul style="list-style-type: none"> • Other retail, with capacity limits • Offices, but telework required if possible 	Most businesses, with strict mitigation measures <ul style="list-style-type: none"> • Restaurants / bars • K-12 and higher ed. (live instruction) • Travel 	All businesses Events and gatherings of all sizes with new safety guidance and procedures Social distancing rules are relaxed and large events are permitted

Michigan's COVID-19 cases March-July 2020

Cases peaked ~2 weeks after the Stay Home, Stay Safe order was put into place
